Friday Evening Factory Tour, Dinner, and Networking Social at Destihl

Factory Tour: Join us Friday evening for a 45-minute guided tour of Destihl's manufacturing operations in Normal Illinois. You will experience an up-close view of the engineering, production and quality control systems that create some of their most sought-after products. A light buffet dinner and networking social will follow in Destihl's private banquet room. Transportation to and from the Marriott will be provided, Tour time is from 5:00-8:00pm. (Limited to 100 participants)
