

**SUMMER PD OPPORTUNITY  
June 8th at College Of DuPage**

## **TEE - TECHNOLOGY ENGINEERING EDUCATION TEACHER RECRUITMENT THINKTANK!**

**Please join us either in-person or virtually for a hands-on workshop to explore, discuss, and create methods to recruit high school students to the field of TEE. This is for high school TEE teachers and the workshop will be focused on ways high school students could be targeted and how to provide opportunities to explore TEE. During the workshop, recruiting materials will be created: postcards, tshirts, flyers, presentations, ect. Also, opportunities to invite high school students and parents to ITEC for in-person experience will be discussed. Lunch provided.**
